

# Library Guide

your library your resources

## GETTING STARTED

Welcome to the University of Sunderland in London Library.

Your student ID card is also your library card, and it gives you access to all of the library services. It allows you to borrow books and use the on campus library facilities.

## LIBRARY FACILITIES

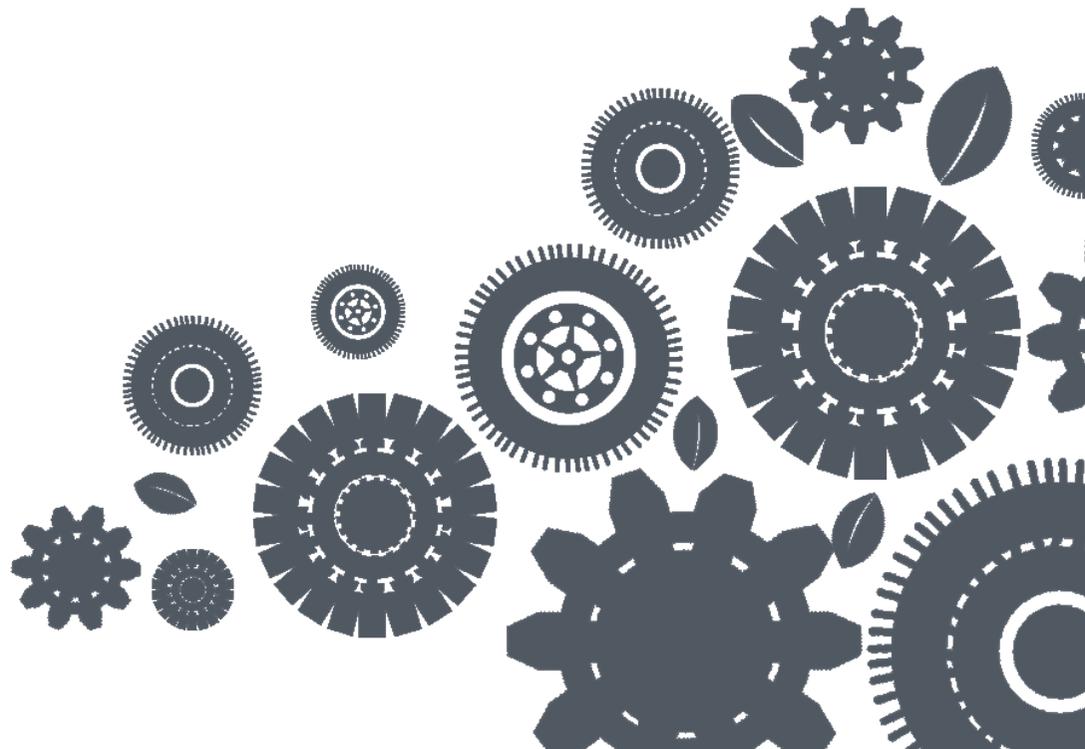

The Library provides a welcoming and practical environment for you to study, learn and carry out research. It is located on the **first floor** and offers a quiet study area, computers with internet access, printing, scanning and photocopying facilities.

## PRINT & ONLINE LIBRARY RESOURCES

Wherever, whenever or however you learn, we have a wide range of library resources available to you on campus or online.

Our print collection covers the following subject areas:

- Accounting and Finance
- Business Management
- Economics
- English Language and Study Skills
- Human Resource Management
- Marketing
- Nursing
- Tourism and Hospitality Management

We provide a wide range of online services and electronic resources so you can study wherever you are.

- **Library Catalogue** will help you locate or reserve books in the library and read thousands of e-books online
- **My Library Account** allows you to manage your loans and reservations, renew books and pay fines online
- **Discover** gives you access to most reliable, up-to-date academic and industry publications such as electronic journals, magazines, reviews, reports and conference proceedings
- **My Module Resources** is your online reading list service and includes links to resources for your subject

## HOW WE CAN HELP

In addition to support you receive in the Library and online we offer a number of sessions developed to improve your information literacy skills and help you to use library services to your best advantage. These sessions support your academic progress and your future development and include:

- Guidance on subject specific resources
- Help with online library services and electronic resources
- Bibliography and references management
- One-to-one sessions tailored to your specific needs

## OUR PROMISE

No matter where you are, when or how you reach us you will meet approachable, knowledgeable, caring staff whose key motivation is to help you and support your academic progress and future development.
