

Quiet Study Area

The library is on the first floor and is available for research and individual quiet study. There are computers with internet access and printing, scanning and photocopying facilities.

We deliver group and individual information skills sessions to help you with your studies:

- Access to print and online library resources
- Carrying out academic research
- Referencing and bibliographies

Make an appointment with the Librarian on the 4th floor or see the staff in the library.

Our Promise

No matter where you are, when or how you reach us, you will meet approachable, knowledgeable, caring staff whose key motivation is to help you with your studies and support your academic progress and future development.

Library Catalogue for books

Just type in the author's surname and the main part of the title.

For example:

Baum, New Public Health

The catalogue will show it is available at London Library under -

362.1 BAU **this is the shelfmark**

Make a note of this shelfmark and use this to find the book.

Once you find the number the books are shelved in alphabetical order.

Some books are available as e-books to read online after you log in.
